CHARGING AND REMISSIONS POLICY
Charging for School Activities

Policy for Charging & Remissions
Full Governing Body
Reviewed: Spring 2025
For Review: Spring 2026

Aims

Our school aims to:

- Have robust, clear processes in place for charging and remissions.
- Clearly set out the types of activity that can be charged for and when charges will be made.

Legislation and guidance

This policy is based on advice from the Department for Education (DfE) on charging for school activities and the Education Act 1996, sections 449-462 of which set out the law on charging for school activities in maintained schools in England.

Definitions

- Charge: a fee payable for specifically defined activities.
- Remission: the cancellation of a charge which would normally be payable.

Responsibilities

The Governing Body is responsible for determining the content of the policy and the Headteacher for implementation. Any determination with respect to individual parents will be considered jointly by the Headteacher and the Governing Body.

Publication of Information

A summary of this policy will be included on the school website which will specify what charges are/are not to be made and for which activities voluntary contributions will be invited from parents.

Where charges cannot be made

Below we set out what the school cannot charge for:

Education

- Admission applications
- Education provided during school hours (including the supply of any materials, books, instruments or other equipment)
- Education provided outside school hours if it is part of:
 - The national curriculum
 - A syllabus for a prescribed public examination that the pupil is being prepared for at the school
 - Religious education
- Instrumental or vocal tuition, for pupils learning individually or in groups, unless the tuition is provided at the request of the pupil's parent
- Entry for a prescribed public examination if the pupil has been prepared for it at the school
- Examination re-sit(s) if the pupil is being prepared for the re-sit(s) at the school

Transport

- Transporting registered pupils to or from the school premises, where the local authority

has a statutory obligation to provide transport

- Transporting registered pupils to other premises where the governing board or local authority has arranged for pupils to be educated
- Transport that enables a pupil to meet an examination requirement when he or she has been prepared for that examination at the school
- Transport provided in connection with an educational visit

Residential visits

- Education provided on any visit that takes place during school hours
- Education provided on any visit that takes place outside school hours if it is part of:
 - The national curriculum
 - A syllabus for a prescribed public examination that the pupil is being prepared for at the school
 - Religious education
- Supply teachers to cover for those teachers who are absent from school accompanying pupils on a residential visit

Where charges can be made

Below we set out what the school can charge for.

Education

- Any materials, books, instruments or equipment, where the child's parent wishes him or her to own them
- Optional extras (see below)
- Music and vocal tuition, in limited circumstances

Optional extras

We are able to charge for activities known as 'optional extras'. In these cases, the school can charge for providing materials, books, instruments or equipment. The following are optional extras:

- Education provided outside of school time that is not part of:
 - The national curriculum
 - A syllabus for a prescribed public examination that the pupil is being prepared for at the school
 - Religious education
- Examination entry fee(s) if the registered pupil has not been prepared for the examination(s) as part of the school curriculum
- Transport (other than transport that is required to take the pupil to school or to other premises where the local authority/governing body has arranged for the pupil to be provided with education)
- Board and lodging for a pupil on a residential visit
- Extended day services offered to pupils (such as breakfast clubs, after-school clubs, tea and supervised homework sessions)
- Breakages and replacements as a result of damages caused willfully or negligently by pupils
- Completing any forms, e.g. school references, passports
- Tickets for children's performances

When calculating the cost of optional extras, an amount may be included in relation to:

- Any materials, books, instruments or equipment provided in connection with the optional extra
- The cost of buildings and accommodation
- Non-teaching staff
- Teaching staff engaged under contracts for services purely to provide an optional extra (including supply teachers engaged specifically to provide the optional extra)
- The cost, or an appropriate proportion of the costs, for teaching staff employed to provide tuition in playing a musical instrument, or vocal tuition, where the tuition is an optional extra

Any charge made in respect of individual pupils will not be greater than the actual cost of providing the optional extra activity, divided equally by the number of pupils participating.

Any charge will not include an element of subsidy for any other pupils who wish to take part in the activity but whose parents are unwilling or unable to pay the full charge.

Music tuition

The school can charge for vocal or instrumental tuition provided either individually or to groups of pupils, provided that the tuition is provided at the request of the pupil's parent.

Residential visits

We can charge for board and lodging on residential visits, but the charge must not exceed the actual cost.

Voluntary contributions

As an exception to the requirements set out in this policy, the school is able to ask for voluntary contributions from parents to fund activities during school hours which would not otherwise be possible.

Some activities for which the school may ask parents for voluntary contributions include:

- a) School trips
- b) Swimming and school clubs
- c) School events
- d) Contribution to school fund

There is no obligation for parents to make any contribution, and no child will be excluded from an activity if their parents are unwilling or unable to pay. The responsibility for determining the level of voluntary contribution is delegated to the Headteacher. If the school is unable to raise enough funds for an activity or visit then it will be cancelled.

Remissions

In some circumstances the school may not charge for items or activities set out in this policy. This will be at the discretion of the governing body and will depend on the activity in question.

Remissions for residential visits

Parents who can prove they are in receipt of the following benefits will be exempt from paying the

cost of board and lodging for residential visits:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Support under Part VI of the Immigration and Asylum Act 1999
- The guaranteed element of Pension Credit
- Child Tax Credit (provided you're not also entitled to Working Tax Credit, or have an annual gross income of no more than £16,190)
- Working Tax Credit run-on - paid for 4 weeks after you stop qualifying for Working Tax Credit
- Universal Credit - if working, your net household income must be less than £7,400 a year (not including any benefits you get)
